MANNY SETHI
U.S. SENATE

MEMORANDUM

TO: Dr. Manny for Senate Finance Committee
FM: Chris Devaney and Jordan Gehrke
RE: Polling
DATE: July 7, 2020

New polling from this past week by our campaign shows Dr. Manny Sethi statistically tied with Bill Hagerty, with just 11 days until Early Voting Begins. When our campaign went on TV at the beginning of June, we showed Bill Hagerty with a lead of 27-11.

Today we have the race at 33-31.

Among those who have seen, read or heard about the race, Sethi does 12 points better than Hagerty among voters who are much more likely to vote for a candidate.

	Dr. Manny Sethi	Bill Hagerty	Difference
Much More Likely To Vote For	46%	34%	Sethi +12%
Somewhat More Likely To Vote For	28%	26%	Sethi +2%
Somewhat Less Likely To Vote For	5%	12%	Sethi +7%
Much Less Likely To Vote For	7%	12%	Sethi +5%

Of voters who have a strong view of the candidates, Dr. Manny’s very favorable image is 5 points higher than Bill Hagerty’s very favorable image.

	Dr. Manny Sethi	Bill Hagerty
Very Favorable	34%	29%
Favorable	29%	33%
Unfavorable	7%	8%
Very Unfavorable	4%	7%

The results are based on a survey of 800 likely Republican primary voters across Tennessee fielded June 30 and July 1. Respondents’ information came from the voter file and this poll was conducted with a blend of cell phones and land lines. The margin of error is +/- 3.46%.
